Dear Madam

**Kenepuru and Central Sounds Residents' Association Submission
for the 2014-15 Annual Plan:
Request for Funding Allocation for a Public Toilet
in the vicinity of the Torea Bay Jetty**

The Association strongly believes that a public toilet facility located in reasonable proximity to the Torea Bay jetty is long overdue given the significant year round flow of people, vessels and vehicles to and from this busy jetty.

Accordingly, the Association requests that the Marlborough District Council set aside in its funding programme a sufficient sum of money for the placement, construction and maintenance of a public toilet at the Torea Bay jetty.

The Association confirms and assures the Council that should an allocation is made it would be pleased to support and assist the Council in the process of identifying an appropriate location and the associated resource consent application.
